## “How much do classes cost?”

- Tuition is based on the amount of scheduled weekly class time, per student.
- Tuition is calculated and collected monthly. Payment is due at the first class each month.
- Tuition is paid in 9 equal payments, September-May.

**Discounts are built-in to PDC pricing. Prices decrease as a student takes more classes!**

Class time/ <u>WEEK</u>	<u>MONTHLY</u> tuition
30 minutes	\$32
45 minutes	\$42
60 minutes	\$54
After reaching 60 minutes	Cost for each additional 15 minutes of class time

## Other common questions

### “When do classes start?”

We follow a typical school year. Classes begin in September and end in May.

### “How do I sign up?”

Registration generally begins the first weekend in August. You may register for classes online using our parent portal or come see us to register in person.

### “What class is best for beginners?”

It really depends on each individual child's interest and personality. We highly recommend considering a class package to expose beginner dancers to multiple subjects to help them discover what they enjoy most. (Tip: Ballet training is beneficial to all other subjects!)

### “When is the dance recital?”

The recital is in May each year, typically the weekend before Memorial Day weekend.

### “Do you offer summer classes?”

Yes! Summer classes are a great way to get a “splash” of dance classes without a long-term commitment.

### “Can I come visit the facility and meet your staff?”

Absolutely! We renovated in 2017 and are extremely proud of our facility and incredible staff! We have a caring environment for kids to feel safe and build self-confidence!
